

Dutch Senior Open 2020 – Cancelled

Dear Bowling friends,

As consequence of the ongoing Corona crisis, our organizing team, together with the proprietor at Bowling Franky's in Nieuwegein, have decided to cancel the 15th Dutch Senior Open that was scheduled for July 29th to August 2nd.

We took this decision with pain in our hearts, but seen the current circumstances and restrictions from our government and the governments of our foreign participants, we felt it was the right decision to make.

As a tournament we also rule by "safety first" .

Our participants are all included in the group of most vulnerable.

Also at this time it is not clear if travelling across borders will be allowed.

And then on top of all, we will very likely also have to deal with some 1,5 meter restrictions .

All considerations that led us to this decision.

We trust that we may welcome you all back again next year in good health and wellbeing.

All bookings made for this year's tournament will be transferred to the preliminary entry list of the Dutch Senior Open 2021 for you to re-confirm at a later time.

All hotel reservations made for the tournament with Fletcher Hotel Nieuwegein has been cancelled free of charge.

We are sorry that we do not have better news to share at this time.

Stay healthy and we hope to see you all on the lanes again soon.

Best regards,

Bea, Bettina, Manolito, Paula, Ruud, Henny and Ad
